The **BALKAN RIVER DEFENCE** crew is joining forces with Bulgarian river defenders, river lovers, paddlers, scientists, fishermen, locals and activists. For 6 days BRT4 will explore the **STRUMA RIVER VALLEY**, learning about the threats and conservation efforts on the Struma River.

Join the action and activism by following the registration instructions: [www.balkanriverdefence.org/brt4/](http://www.balkanriverdefence.org/brt4/). Let's put our heads together and develop solutions and alternatives to dams! **BRD'S RIVER INTELLECTUALS** will be there too, so students and professors passionate about rivers are encouraged to join!

Come out for the final event, a **FLOTILLA** and creative action at 10am on Saturday September 28th to support and defend the Struma River! Join us, for river conservation rock'n roll!
